God you are so, so good
There is just none like you
You make me sing
Out loud for joy
Lord I'm so grateful

Jesus, Your love for me
Like nothing I've ever seen
I lift up my hands
To praise Your name
O how I love you

Chorus:

Every time I'm in Your presence
I can't help but overflow with gladness
You are so good and merciful
All I want to do is to stand and worship You

I delight myself in You O God
Make all my hopes and dreams come true
Only You are worthy Lord
All I want to do is to shout my praise to You

Bridge:

You make everything beautiful
You make all things new
You are ever so wonderful
You are always good
