**Key:** E

**Verse:**

Did you know  
God so loved the world  
He gave His only Son  
To turn our lives around

Did you know  
He did it all for us  
So that we can know His love  
And love Him in return

**Chorus:**

(So) Put your trust in Him  
Everlasting God  
He is able, always faithful

Give your life to Him  
Only Living God  
He is Lord of all Creation

**Bridge**

And now I've got to tell the world  
Everyone's got to know  
That by His grace  
Forgiveness flows

Come on let's shout out to the earth  
Open up your hearts and ears  
That Jesus Christ  
Is Lord of all

And now I've got to tell the world  
Everyone's got to know  
That by His grace  
Forgiveness flows  
Come on let's shout it to the earth  
Jesus Christ Is Lord  
Jesus Christ Is Lord
