

Have Your Way

by Andy Yeoh & Joel Vijay

© 2010, Acts Church

Here I am, with my hands lifted high
All I need is You in my life
Holy Spirit, take me deeper
with You

God, You are the Only One
Nothing else could ever replace
I need more of you
I need more of you

Chorus:

Holy Spirit have Your way
All of my hopes, my dreams, my days
I lay it all down again
Devoted to do Your will

Bridge:

Consuming Fire
You're my desire
Let Your grace take hold of me

More of Your power
More of Your presence
Let Your glory shine through me
