When I am weak
Then I am strong
You give me strength
To carry on

When I am lost
There I am found
Here in Your arms
Is where I belong

Chorus:

And I believe
You're here with me
You're all I am and hope to be
In You I can do anything
And by your grace
I am complete

Bridge:

Jesus it's You I believe
Jesus in You I'm complete
Jesus Your grace I receive
Jesus You set me free
