Verse:

Just a glimpse of your great love
The marvel of the cross I know
Just a look at Calvary
The wonder of the cross retold

Pre Chorus:

This journey to the cross again
My eyes are fixed on all things You
All things new

The cross on which my Saviour died
He rose up from the grave and lives
He calls my name

Chorus:

Jesus it's You, It's You
Your love that heals
My life's renewed

Jesus it's You, (it's) been You
Your grace revealed
My soul will sing
...it's You

Bridge:

Love has set me free
I believe
