Voices sing aloud
This is the time
This is the place to begin
Casting out all doubt
He is the Way
He is the Hope for today

Living in Your promises
forever and a day

Chorus:

This is the change we've been waiting for
This is the cause that's worth dying for
A love that's like no other
JE-SUS, You're the One

Bridge:

Jesus is The Way, The Truth and
Life will never be the same ...never the same again
